## **SWIMMING PROTOCOLS**

Please read and initial by each, and sign at the bottom.

\_\_\_\_\_ 1. **Please arrive 10 minutes before your appointment to walk your dog** to ensure he/she has fully relieved himself/herself. This is particularly important with paralyzed dogs, as they often cannot control their bowels/bladder and are more prone to accidents in the water. Also, please let us know if your dog is having diarrhea so we can reschedule the appointment, as we cannot allow the canine in the water for health and safety reasons. **There is a \$250 fee if your pet defecates in the pool**, because it will have to be drained and refilled, and all appointments will have to be rescheduled.  
(no flexi leashes allowed)

\_\_\_\_\_ 2. For the safety and comfort of each patient, our pool must remain extremely clean. To ensure this, we ask that you please do not bring your dog swimming if they are dirty or have been outside for an extensive amount of time without bathing. If your dog is dirty or has mud or snow/ice on their paws, please do not use the pool as their bath! Take them to a wash station first to hose them off.

\_\_\_\_\_ 3. Please do not feed your dog for at least two hours prior the swim/rehab session. All dogs should exercise on an empty stomach.

\_\_\_\_\_ 4. Please refrain from bringing other pets or small children with you if your dog is undergoing assisted swimming. This becomes very distracting for the dog and takes our full attention away from the dog we are working with.

\_\_\_\_\_ 5. The Initial Consultation will be up to 1 hour long. All standard assisted swimming sessions scheduled after the initial consultation are up to 30 minutes long, 5 minutes for pool entry, and 5 minutes for quick dry when completed, 20 minutes total swim time-be aware that some dogs may not be able to swim the entire 20 minutes time due to their physical condition.

\_\_\_\_\_ 6. Depending on your pet's weight, physical condition, and behavior, an additional technician may be required to assist with his or her swims in the pool. This could incur a \$10 fee.

\_\_\_\_\_ 7. We have a 24-hour cancellation policy. If you need to cancel or reschedule, please notify us at least 24 hours in advance, or you will be charged the full price of the session.

I, \_\_\_\_\_ have read and agree to abide by the above protocols

### **Canine Aquatic Clients:**

We require dogs that are being seen for assisted swimming to have a veterinary referral form before you come for your initial visit. If your dog has any medical conditions, had surgery or has been diagnosed with any disease, we require as much detail as possible. Please speak with your veterinarian before coming to see us as we prefer to work with your vet's input and ask that you have them fill out our Vet Referral Form.

The Water Bark LLC is not a veterinary clinic, and the staff are NOT veterinarians. The services provided are not medical procedures.

We work with the guidance and co-operation of veterinarians.

For dogs recovering from surgery or any other veterinary procedure, a veterinarian must give the ok before we proceed with aquatics.

At no time will the team at The Water Bark LLC diagnose, recommend treatment methods and/or determine the health of your dog.

Any consultation or assessment provided by The Water Bark LLC is intended solely as a review of the referring veterinarian's recommendations.

Owners must inform the staff at The Water Bark LLC of ANY changes in their dog. E.g. Health, personality, mobility, etc, IMMEDIATELY!! **This is vital to your dog's health-please take it seriously—we do.**

The Water Bark LLC is not responsible for any injuries, damages or loss incurred by dogs or their guardians as a result of the use of the facility.

I have read and understand all of the above and am in full agreement of all fees and regulations stated by signing below.
